This is a listing of all databases available to Penn State users.

IMPORTANT DATABASES

Political Risk Yearbook

Country reports with economic and political analysis and forecasts.

ProQuest Direct

This database searches more than 2,000 periodicals in a broad range of subjects. It includes the ABI/ Inform database, the premier database for business periodicals. Most

articles are available full-text, many with images. Also contains the full-text of the Wall Street Journal.

Lexis Nexis Academic

Click on “Business” tab. Allows you to search different countries/regions of the world for English versions of newspapers/magazines.

Factiva (Dow Jones)

A global information resource, providing full-text access to top national and international newspapers (including full text of the Wall Street Journal), newswires, business journals, market research reports, analysts reports and web sites. Contains over 8000 publications with content from 118 countries in 22 languages.

IBISWorld

Industry reports on US and Global Industries. Contains special section on China.
